科润经过多年发展，被当地政府部门评为纳税大户。成为地方规模上企业。公司注重可持续发展，以市场需求为导向、人才为本、管理为实的经营理念。坚持“产品自主开发创新，创行业知名品牌”，并实现企业快速、稳定地发展。

Chaozhou Kerun Sanitary Ware Co., Ltd. was founded in 2009. It has been a bathroom enterprise focusing on the research and development, production, sales and service of bathroom cabinets, bathroom mirrors and brackets for bathroom products for more than ten years. At the same time, Kerun has passed three management certifications in enterprise management: ISO9001 quality management system certification, ISO14001 environmental management system certification, and ISO45001 occupational health and safety management system certification.

Our company is a self-operated import and export rights enterprise with three different categories of factories. Kerun Sanitary Ware's products cover bathroom cabinets, bathroom mirrors (smart bathroom mirrors), brackets, basins, bathroom hardware and other supporting bathroom products. The products are independently developed and have won many utility model patents and appearance patents. An internal quality inspection laboratory has been established to ensure that users are provided with high-quality bathroom products and services. It has established long-term and stable cooperative relationships with many large chain stores around the world, and serves OEM production of well-known brands around the world. Kerun has established its own brand, with two series of "KESHI" and "JIAOFEN".

After years of development, Kerun has been rated as a large taxpayer by local government departments. Become an enterprise on a local scale. The company pays attention to sustainable development, and takes market demand as the guide, talent-oriented, and management as the reality of the business philosophy. Adhere to "independent development and innovation of products, and create a well-known brand in the industry", and achieve rapid and stable development of the enterprise.
